

# 000-340

## IBM

### *WebSphere Application Server V5.0, Basic Administration*

Visit: <http://www.pass4sureofficial.com/exams.asp?examcode=000-340>

Pass4sureofficial.com is a reputable IT certification examination guide, study guides and audio exam provider, we not only ensure that you pass your 000-340 exam in first attempt, but also you can get a high score to acquire IBM certification.

If you use pass4sureofficial 000-340 Certification questions and answers, you will experience actual 000-340 exam questions/answers. We know exactly what is needed and have all the exam preparation material required to pass the exam. Our IBM exam prep covers over 95% of the questions and answers that may be appeared in your 000-340 exam. Every point from pass4sure 000-340 PDF, 000-340 review will help you take IBM 000-340 exam much easier and become IBM certified. All the Questions/Answers are taken from real exams.

Here's what you can expect from the Pass4sureOfficial IBM 000-340 course:

- \* Up-to-Date IBM 000-340 questions taken from the real exam.
- \* 100% correct IBM 000-340 answers you simply can't find in other 000-340 courses.
- \* All of our tests are easy to download. Your file will be saved as a 000-340 PDF.
- \* IBM 000-340 brain dump free content featuring the real 000-340 test questions.

IBM 000-340 certification exam is of core importance both in your Professional life and IBM certification path. With IBM certification you can get a good job easily in the market and get on your path for success. Professionals who passed IBM 000-340 exam training are an absolute favorite in the industry. You will pass IBM 000-340 certification test and career opportunities will be open for you.

**QUESTION 1:**

The server initialization messages will appear in the message box on the "First Steps Window". If the server fails to initialize, which of the following file(s) should be checked?

- A. ivt.log and native\_stdout.log
- B. installDefaultApplication.log
- C. startServer.log and systemOut.log
- D. log.txt

Answer: C

---

**QUESTION 2:**

An application needs to be redeployed because the quality assurance team has just approved a bug fix and delivered a new .ear file. Using the WebSphere Administrative Console, what should be done to redeploy this application?

- A. Applications -> Enterprise Applications -> Update
- B. Applications -> Enterprise Applications -> Uninstall, Install
- C. Applications -> Enterprise Applications -> Stop, Uninstall, Install, Start
- D. Applications -> Enterprise Applications -> Stop, Update, Export, Start
- E. Applications -> Enterprise Applications -> Export, Stop, Update, Export, Start

Answer: A

---

**QUESTION 3:**

What is the MOST important security task an Administrator will perform after installing the IBM WebSphere Application Server, V5.0?

- A. Assign method groups for EJB methods
- B. Set realm and challenge type
- C. Enable security to protect the WebSphere administrative cell
- D. Enable Java 2 Security

Answer: C

---

**QUESTION 4:**

How does the 'Starting Weight' affect Enterprise Applications installed in IBM WebSphere Application Server, V5.0?

- A. Higher weights get more processing power compared to other applications with lower

weights

- B. Lower weights get more processing power before applications with higher weights
- C. Specifies the starting order of applications when the server is started or restarted with lower weighted applications starting first
- D. Specifies the starting order of applications when the server is started or restarted with higher weighted applications starting first

Answer: C

---

**QUESTION 5:**

An IBM WebSphere Application Server, V5.0 is running on a 4-CPU machine, with 512M of RAM, and 4 Gig of page space. Initial heap size is set to 64M and the maximum is set to 256M. Tivoli Performance Viewer shows a staircase-like graph of the memory used. What is the likely cause of the problem?

- A. The JVM maximum heap size is not large enough
- B. There is a memory leak in the application
- C. More paging space is needed
- D. Incorrect Java SDK is being used

Answer: B

---

**QUESTION 6:**

Whenever an Entity Bean tries to access a database located on a remote machine, the administrator receives an error message. What is the MOST likely cause for this error message?

- A. Network connectivity has been lost
- B. The Administrative Server has quit running
- C. The Web server is not configured to run beans
- D. The Servlet Redirector is not performing workload management correctly

Answer: A

---

**QUESTION 7:**

Given a nonNetwork Deployment installation, which of the following statements characterizes the WebSphere Administrative Console?

- A. It can be downloaded from a remote machine.
- B. It runs in its own Java Virtual Machine.
- C. In the base configuration, it runs on the application server and can manage only that application server.
- D. It connects directly to the Administrative Repository.

Answer: C

---

**QUESTION 8:**

Which of the following services are provided by the application server in IBM WebSphere Application Server, V5.0?

- A. JNDI Naming Service
- B. Transaction Management Service
- C. Security Service
- D. Integral JMS Service
- E. Client Container Service

Answer: ABC

---

**QUESTION 9:**

A systems expert has been asked to design an IBM WebSphere Application Server, V5.0 architecture that will meet very high levels of security. Given that the expert will use encryption, which of the following direct connection paths need to be encrypted with SSL?

- A. Web server plug-in to Web server
- B. Web server plug-in to Web container
- C. Web browser to Web server
- D. Web server to administrative subsystem
- E. Reverse Proxy Server to Web server plug-in

Answer: BC

---

**QUESTION 10:**

A systems expert has been asked to install and configure the IBM WebSphere Application Server, V5.0 with a high level of security. Given this, which of the following should NOT reside in the DMZ zone of a firewall configuration?

- A. XML Configuration Repository
- B. Web server
- C. Application Server
- D. The Network Dispatcher
- E. Caching proxy server

Answer: AC

---

## Pass4SureOfficial.com Lifetime Membership Features;

- Pass4SureOfficial Lifetime Membership Package includes over **2500** Exams.
- **All** exams Questions and Answers are included in package.
- **All** Audio Guides are included **free** in package.
- **All** Study Guides are included **free** in package.
- **Lifetime** login access.
- Unlimited download, no account expiry, no hidden charges, just one time \$99 payment.
- **Free updates** for Lifetime.
- **Free Download Access** to All new exams added in future.
- Accurate answers with explanations (If applicable).
- Verified answers researched by industry experts.
- Study Material **updated** on regular basis.
- Questions, Answers and Study Guides are downloadable in **PDF** format.
- Audio Exams are downloadable in **MP3** format.
- **No authorization** code required to open exam.
- **Portable** anywhere.
- 100% success **Guarantee**.
- **Fast**, helpful support 24x7.
